

Level 1 Lymphoedema Course

A level 1 Lymphoedema Course is run regularly by the **Lymphoedema Practitioners Education Group of Victoria (LPEGV)**. The LPEGV is a not-for-profit multidisciplinary group of health care professionals whose members are directly involved in the management of lymphoedema or interested in furthering the work of this group.

The course is designed to provide participants with the knowledge and skills to treat mild and uncomplicated lymphoedema. It is open to Registered Nurses (Division 1), Occupational Therapists, Physiotherapists and Medical Practitioners. Successful completion of this course will enable participants to register with the National Lymphoedema Practitioner Register (www.nlpr.asn.au).

Applications will open early 2012 for the next six-day course to be held in Melbourne. Course dates are **20-22 July and 3-5 August 2012**. Please email your interest to info@lpegv.org.au or fax to 03 9695 0579.

Information about the Lymphoedema Practitioners Education Group of Victoria can be found on their website at www.lpegv.org.au. The 2012 application form will be available on the website.
