

Announcing the AGM for 2018

Saturday the 13th October commencing at 9.30 am

Nurses Memorial Rooms

Fawkner Towers
11/431 St Kilda Road
Melbourne VIC 3004

AGM formalities will be followed by our guest speaker:

Dr Dan Hubik

A Consultant-Liaison Psychiatrist working within the Department of Psychosocial Cancer Care at St Vincent's Hospital Melbourne in both inpatient and outpatient settings.

Dan will address the likely psychosocial impacts of a chronic sequela (such as lymphoedema) arising from a diagnosis and treatment of cancer and how to assist our clients/patients in managing such challenges. Dan will also discuss self-care strategies for therapists engaged in working with patients and clients facing significant issues.

Melissa Graham from BSN will also be in attendance to offer assistance.

This professional development activity is free for members. Interested non-member therapists are welcome to attend and consider becoming a member on the day or pay \$20.00 for this event only.
